COVID19 PRECAUTIONS

As we at ***Mooiplaas Guesthouse and Spa*** are extremely aware of the health risks to both our guests and our staff, we have implemented the following measures going forward:

- Hand sanitising station at Reception – all visitors will be obliged to sanitise hands on entering the premises
- We will make sure our establishment is adequately cleaned and sanitised at all times – including sanitising credit card machines, door handles and all surfaces and public areas regularly
- We have increased the frequency of routine cleaning and sanitation. Our members of staff are to hand-wash and sanitise at the start and finish of every operational process
- Initially we will limit reservations and guests will be distributed evenly and at length from each other through the guest house to ensure safety and social distancing
- The health of all our members of staff will be monitored, and any individual who shows the slightest sign of having a fever or raised temperature will be asked to remain at home

We want to assure you that as a family business, we will take all precautions to ensure the safety of all our guests and staff.

We wish you the best during these tough and challenging times and hope to give you a warm Stellenbosch Welcome soonest (albeit at arm's length)
